# Cloud Rhythm

Inspired by the soft contours of unfurling petals, Cloud Rhythm incorporates gently undulating curves and radiating lines into its forms, creating layered rims and textured interiors. Rounded silhouettes paired with delicate relief detailing capture the airy elegance of natural blooms while balancing everyday practicality with decorative appeal. Simple and understated, the collection brings warmth and refinement to a natural, softly styled table setting.

# Ridge

## The Terrain of Color

The earthy Beige, Blue-brown, and vibrant Green speak of plains and valleys,
while Purple and Pear Yellow capture the hues of dawn and sunlit stone.

Crafted from high-fired vitrified clay, every piece combines this tactile, mountainous poetry with industrial-grade resilience to chips and heat. Ridge transforms the table into a panoramic vista,
built to withstand the rigors of hospitality.
